FAILURE TO ATTEND / LATE CANCELLATION POLICY

Every year we lose valuable surgery time because of patients failing to attend their appointments or cancelling at short notice. This makes it more difficult for us to accommodate our patients in need of urgent treatment, for existing patients to book appointments and for new patients to register here.

PRIVATE PATIENTS

To avoid the cost of failed or late cancelled appointments being passed onto the rest of our patients, from 30th January 2018 we will charge for un-used time where a patient fails to attend or cancels without reasonable notice (less than 48 hours before the appointment).

Failing to attend an appointment for the first time will result in a fee that will be proportionate to the length of your appointment and a letter/email sent to along with a copy of this policy. It is your responsibility to ensure that we are informed of any changes to your contact information.

Late cancellation charges will apply if an appointment is cancelled within 48 hours and we are unable to fill the time. In the event that part of the cancelled surgery time is used by another patient, cancellation charges will be reduced accordingly.

Patients who are unable to make their appointment because of illness should, where possible, contact the practice as soon as they are aware that they cannot attend. If you are unsure whether you can make it to an appointment, please contact us early to discuss the matter rather than leaving it to the last minute. Failing to notify us before the appointment time will result in a failure to attend charge being made unless there are exceptional circumstances.

We understand that scenarios do occur and discretion will be used if there is a good reason for the appointment being missed.

DENPLAN PATIENTS

The missed appointment fees which apply to our Private Patients, as stated above, will also apply to all Denplan Patients.

Please refer to your Denplan Care or Denplan Essentials Handbook under 'The Care/Essentials Contract between you and your dentist' (Point 10):

“You are responsible for keeping appointments made with your dentist and you must pay any missed appointment fee should you fail to do so. You must ensure that you also attend your dentist for regular examinations, receive the treatment your dentist advises and you must promptly inform you dentist of any injury, problem or other material matter affecting your oral health. If you fail to ensure any of this you will be liable to pay any fee reasonably charged for treatment necessary to restore your oral health, which could otherwise have been avoided.”

RHIWBINA DENTAL

As a goodwill gesture, we currently provide free 6 monthly check up's for children under the age of 18, providing a parent or guardian is a denplan patient with us at the practice. As these are equally as important as all of our other available appointments, we have decided that if these appointments are missed, they can be rebooked, but will be charged privately. If 48 hours notice of cancellation is given, the appointment can be rebooked without a charge

REMINDERS

Phone reminders are available for all appointments. If we have your contact information on file, we will always provide a reminder call 24 hours in advance of your appointment. If we cannot speak to you in person we will always leave an answer phone message, where the option is available to do so. It is your responsibility to check your phones (Home/ Work/ Mobile if all are provided) for missed calls or answer phone messages and ensure that we are informed of any changes to your contact information.

Please note, telephone reminders are provided out of courtesy, not necessity. It is your responsibility to turn up on time for an appointment. Failure of the telephone reminder system for any reason is not sufficient reason for failing to attend or turning up too late for treatment.
